National Minority Quality Forum

nmqf.org

National Minority Quality Forum was founded in 1998 to strengthen national and local efforts to use evidence-based, data-driven initiatives to eliminate the disproportionate burden of premature death and preventable illness for racial and ethnic minorities and other special populations. NMQF promotes access to affordable health care, clinical trial diversity and community health navigator programs as well as patient education resources.

Leukemia & Lymphoma Society

lls.org

The Leukemia & Lymphoma Society (LLS) is the world's largest nonprofit dedicated to funding research and providing support for blood cancer patients. Since its founding in 1949, LLS has invested nearly $1.7 billion in innovative research, paving the way for many groundbreaking treatments. LLS aims to alleviate the fear and uncertainty of a cancer diagnosis by offering hope, compassion, education, and vital patient services. The organization is committed to finding cures and ensuring access to lifesaving treatments, making a significant impact in the cancer community.

Touch, The Black Breast Cancer Alliance

touchbbca.org

Touch, The Black Breast Cancer Alliance drives the collaborative efforts of patients, survivors, advocates, advocacy organizations, health care professionals, researchers and pharmaceutical companies to work collectively, with accountability, towards the common goal of eradicating Black Breast Cancer.

No one entity can accomplish this alone. Our work requires collaboration, partnership, shared resources and consistent action, where we can share knowledge and hold each other accountable towards this critical goal.
